

# Harvest912 Foot Care Clinics

## Clinic Services

Our foot care clinics are staffed by podiatrists, physicians assistants, nurse practitioners and RN's with foot care certification. Our medical staff will assess your feet, trim nails and calluses, provide first aid, and refer you for follow up if needed. Our volunteers will fit you for new footwear and provide seasonal/hygiene supplies. There is NO COST for any services.

## How to sign up

In order to guarantee your spot at one of our clinics, you MUST sign up in advance. You can call the number listed inside for the venue and date of your preferred clinic OR you can call or text Harvest912 staff at 814-413-6511. Unless you contact either the site or Harvest912 staff, do not assume you are signed up!!

## What to expect at a clinic

Arrive at the clinic and check in with Harvest912 staff as close to the start time as possible (most clinics start at 9AM, but there are a few at 8AM). If you have not checked in within 1 hour of the clinic start time you will lose your spot and a walk-in guest will be assigned instead. Guests are seen on a first-come-first-served basis on the day of the clinic, so you may have to wait to be seen.

**Are you unhoused or insecurely housed? Do you need foot care and new shoes?**

At Harvest912 foot care clinics you can see a medical provider for basic foot care, emergency first aid, and follow up at NO COST. We also provide new footwear and seasonal/hygiene items at NO COST.

**YOU MUST SIGN UP FOR CLINICS IN ADVANCE TO RESERVE YOUR SPOT!**

**Call the number listed inside for the site and date you wish to attend. If you do not register in advance, your spot cannot be guaranteed.**
